# We are a FREE senior housing & care referral service

**There's a lot to consider when selecting housing and care options for yourself or a loved one.** With over two decades of in-depth experience in senior housing and care, CHOICE Advisors have earned the appreciation and trust of thousands of families and elders by delivering personalized service and successful results.

**We take the time to understand your situation, answer your questions and address your concerns.** Your advisor will meet with you in-person or by phone, whichever is more convenient and comfortable for you. They'll get to know you, your situation and your needs: medical and social; location preferences; budgetary considerations.

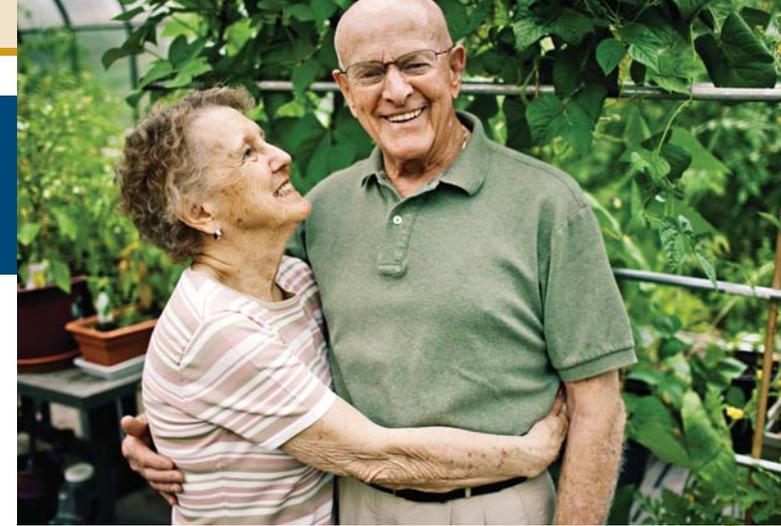

**We share our knowledge and experience with you.** We know the options that are available and the ones you'll want to consider. Our focus is to introduce you to the people who can provide the services you're seeking.

**We provide informed referrals to housing and care options based on your criteria.** CHOICE Advisors have first-hand knowledge of thousands of housing and care options. Our advisors are well-acquainted with the care services, amenities and pricing of the senior living options.

**We accompany you on tours.** Our aim is to make sure all your critical questions are asked and answered to your satisfaction.

## It's time to call CHOICE Housing & Care Advisors:

- When home is no longer practical or safe
- When health suffers from poor nutrition or missed medications
- When social isolation leads to boredom and depression
- When family and friends are voicing concerns
- Before crisis forces change, particularly falls
